Dear Parents,

As you will be aware falling numbers of children on role at the school have been causing concern for some time. Unfortunately, the governing body have today published a consultation document regarding the closure of the school, which you will find enclosed. The document is also available on our website.

This decision is entirely due to the lack of pupils at the school, and is in no way a reflection on the high quality education your children are receiving. It is felt that it is becoming increasingly difficult to meet the social needs of the children, with such small pupil groups.

You are invited to submit your views as part of the consultation. Do not hesitate to contact us if you have any questions.

Kind regards,

Rebecca Slater
Executive Head Teacher
